

# Jonathan Rice Landscaping

Photography: Jeff Adams

Builder: A.F. Hultin Congratulations on being chosen "Builder of the Month"

## Construction • Maintenance

Jonathan Rice Landscaping is an experienced and established Landscaping company in business since 2005. With 20 years machine experience Jonathan has often been described with his equipment as an artist sculpting the land. This talent is certainly highlighted

in his stone work! From House lifting and site work to designing, installing and maintaining your gardens, we take care of it all. Exceptional customer care is a priority with Jonathan personally working and supervising all of our jobs.
