

# Truro Gleaning Program: Bringing Community Together

By connecting students, seniors, volunteers, farmers, seasonal and year round residents, we seek to salvage fresh fruits and veggies that would otherwise be wasted.

*Are you a seasonal resident who must leave your Truro gardens and orchards behind when you return to the city?*

*Are you a gardener or farmer with surplus produce at the end of the season?*

Our volunteers can harvest your excess and bring it to the Truro Central School for healthy local student lunches or to our Truro Food Pantry

*Are you interested in a fun way to help your community?*

Volunteer with the Truro Gleaning program!

Call Helen Grimm at Truro Central School for details 508 487 1558 x 205 or email [grimmh@truromass.org](mailto:grimmh@truromass.org)

Your donations are tax deductible!
